

Looking forward...

...to the future

Permanent carers look after children who are unable to live with their own families (for whom adoption is not appropriate) and offer children and young people a permanent foster family who will care for them throughout their childhood and continue to provide support as they grow into young adults.

Permanent carers will need to make a long term commitment to a child and will have the resources and energy to see things through. They will provide the security and stability of a permanent family whilst helping a child stay in touch with their own family.

We are looking for people of all ages and backgrounds to become permanent foster carers.

Interested? For more information or to discuss this further please call FREEPHONE FOSTERING on 0800 408 1556 or visit www.warwickshire.gov.uk/fostering
